

How we got here?

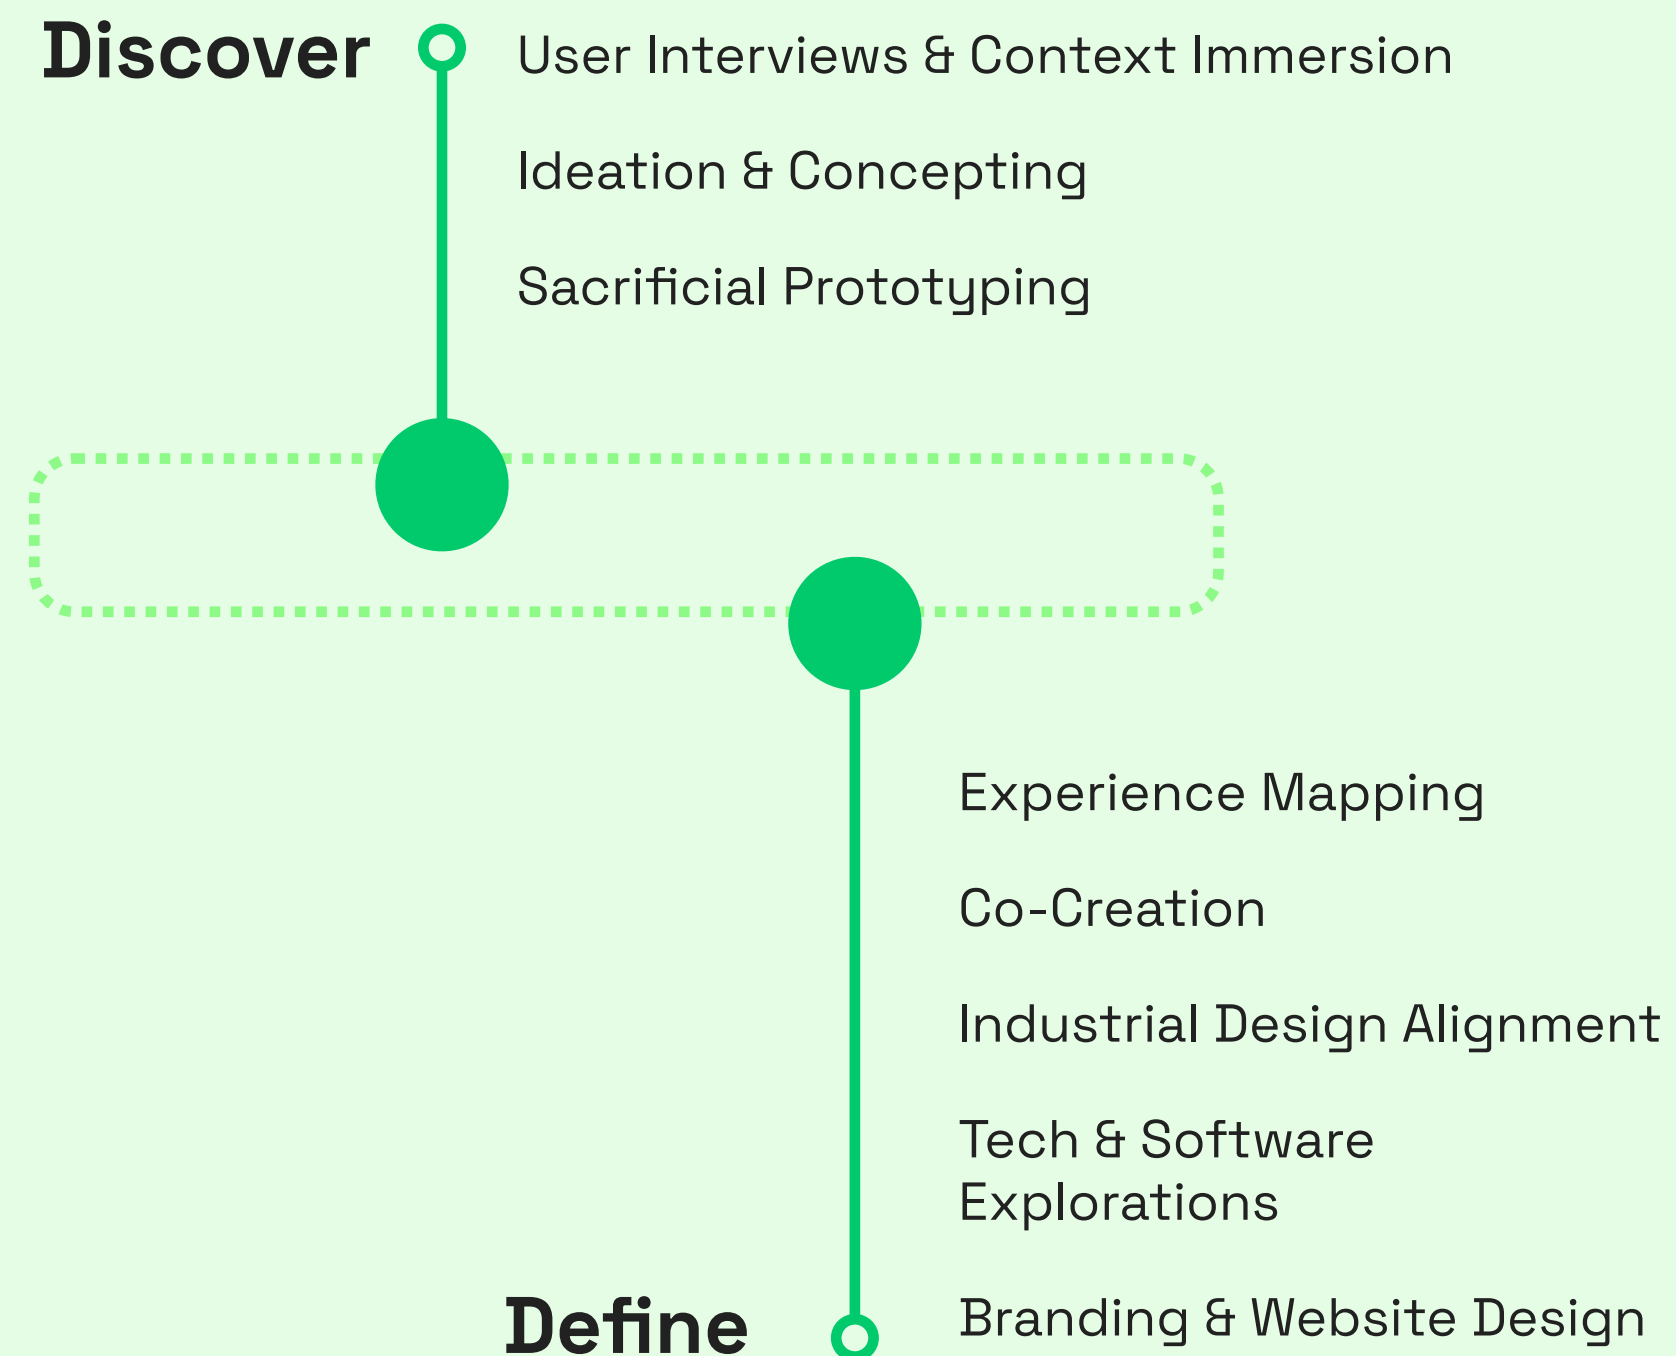

Phase 0

Exploring Projection

Lumen started as a student project at CIID

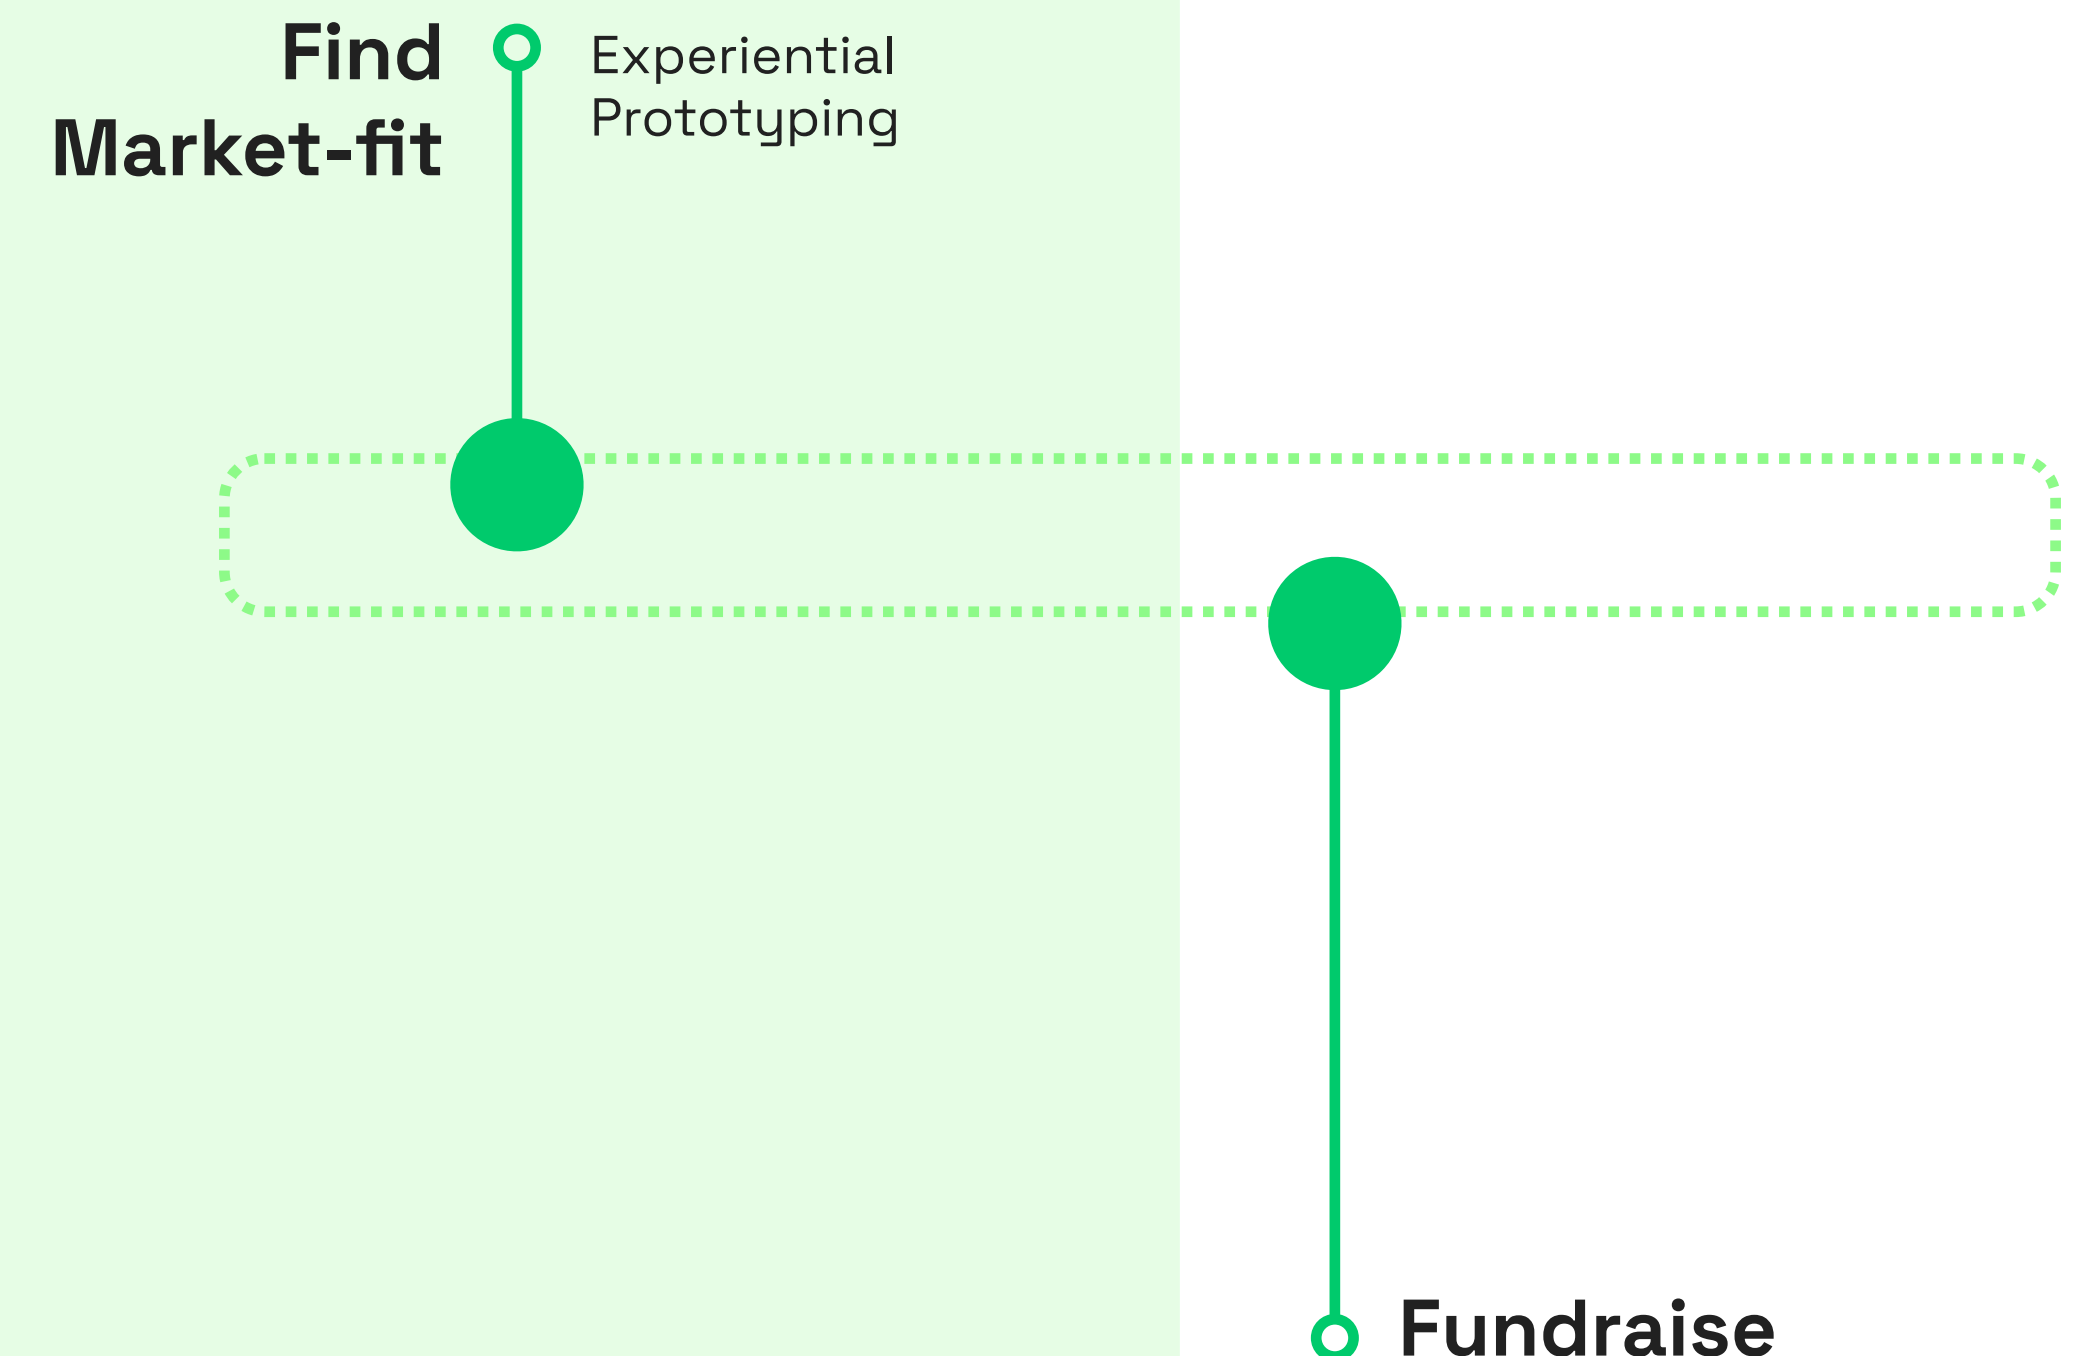

Phase 01*

What is Lumen 2.0?

Phase 02

Who needs this most (or at all)?

Phase 01

User interviews & Context Immersion

Through interviews with experts, historians, and curators, we dug into the museum’s origins and uncovered the stories behind each piece that AR could bring to life

Chiara / 29.06.2019

Target audience

- Kindergarten and primary schools
- Universities
- Family programs for groups of people
- Interactive tours with adults
- Programs with people for special needs/ elderly/ deaf/ hearing and visually impaired
